Wintec

Saddle fitting made easy!

Introducing Wintec Saddles:

- The favourite synthetic saddle brand for all ages, levels, terrains and seasons.
- Unbelievable comfort and support for horses and correct rider position.
- Never tired of the surprise at their light weight when tacking up.
- World-class materials with best-in-class technology, Wintec saddles make riding easy and super comfortable.
- Scratch and wear resistant

Wintec Saddles:

- Hi-tech materials mimic the properties of leather with superior strength and durability and all the benefits of being easy-care:
 - **Equi-Suede**, featured in Pro and 2000 models is in many rider's opinion the ultimate ridden feel. Grippy with the right stretch to move with them.
 - **Equi-Leather**, featured in the 500 models is soft like calf leather and exceptionally hard wearing.
 - **Equi-Fabric** is lightweight and comfortable and very durable.
- ➔ Awarded with the HART Horse and Rider Technology:
 - HART is cutting-edge innovations with the power to radically improve a horse and rider's performance

Advantages of HART:

- Protective cushioning: CAIR Cushion System
- Precision fit: EASY-CHANGE Fit Solution
- Ergonomic flex: Elastiflex Tree
- Free movement: Performance Panel Technology
- Superior rider performance: Comfort Seat Technology
